

DOUG MANUEL

Collaboration In Action

Technical Requirements

These are the technical requirements for Doug's solo keynote 'THE SOUL OF BUSINESS'.

- 1 DPA dfine CORE 4088 Directional Headset mic or equivalent (High Frequency)
- Wireless Bodypack: Shure TQG 4 points or Sennheiser Lemo 3 points
- 1 microphone stand
- 2 X DI Boxes + cables (2 x phono to phono, 2 x output from DI box to mixing desk).
- Screen with sound for slide projection.
- Clicker to change slides.
- One return monitor centre stage.

It is assumed that a mixer with sufficient inputs and speakers appropriate for the group size will be available.

Please allow 30 minutes on the eve or on the day of Doug's presentation to ensure a full AV check.

NB For Doug's other keynote offerings 'ONE TEAM, ONE RHYTHM' and 'DO YOU SPEAK DJEMBE?' please contact Doug's team at hello@dougmanuel.com for the technical rider.
